|---|--|--|---|--|--|
| Primary Sports Alliance                     | A package designed with Camborne Science and International Academy to improve school PE provision and to offer opportunities for sports festivals and competitive fixtures with local primary schools.                           | £4,395   | £4,395  | Pupils have opportunities to attend sporting fixtures with other local children to build their team work, resilience and competitive spirit. They have a greater enjoyment for sport and for being active. | All year groups have participated in a sports festival at least once per half term, giving pupils a chance to try new activities (including wall climbing, archery and badminton) and discover some new talents. They have enjoyed being active in some non-traditional school sports and have developed their team work and cooperation skills. |
| Global Boarders Day                         | A surfing and beach safety day with professional surfers and lifeguards. Attended by a different year group each year. This year, it is Year 6.  | Tuition - £300<br>Minibus - £95<br>Total Cost - £395 | £395  | Pupils receive a Surfing GB Award certificate for surfing skills and beach safety awareness. They have a greater awareness of local sporting opportunities and living a healthier lifestyle.               |  |
| Teacher professional development sessions   | A series of 3 training sessions with members of the Primary Sports Alliance and additional professionals, to support teachers with their PE curriculum. This year, we are focussing on gymnastics, dance and netball/high fives. | £350/session<br>Total Cost - £1,050                  | £1,050  | Teaching staff receive training and support to deliver a high quality PE curriculum. Pupils make greater progress with their physical and gross/fine motor skills.   | Teaching staff have better knowledge to plan and deliver higher quality PE lessons. Pupils are enjoying their lessons and are developing their skills well. This has resulted in pupils being selected for gymnastics competitions and dance sessions for the more able.   |
| Attendance at sports fixtures and festivals | The school has signed up to KS2 fixtures with local primary schools for netball, football, cross country and for KS1 multiskills festivals.  | Minibuses - £95 per trip                             | To date, we have funded 6 minibus trips. £570 | Pupils develop their skills in teamwork, winning, losing, working hard and problem solving. Their enjoyment and greater participation in sports leads to healthier lifestyles, including healthier eating. | The school has been able to enter almost all local sports fixtures and been very successful at some of them. Pupils have learnt to build their competitiveness as well as developing skills to cope with both winning and losing.  |

|--|---|---|-----------|--|--|
| After/school football club             | A coach from Plymouth Argyle has been purchased to run a KS2 football club every Thursday for the autumn term.  | £275  | £275      | Pupils have the opportunity for high quality football instruction, to improve their football skills and utilise them in local fixtures.  | Both girls and boys have had the opportunity to develop their football skills with high quality coaching provision. The pupils built on their team work skills, as well as developing their general fitness and coordination skills.   |
| Additional PE sessions for Yrs 1 to 6. | A coach from Plymouth Argyle Community Trust has been booked to work for one hour with each year group, in a sport/skill of their teacher's choice.   | 6 2hr sessions at £20 per session.<br>Total Cost - £120                     | £120      | Pupils experience high quality PE sessions whilst teaching staff also develop their skills.  | Teachers worked alongside the PACT staff and increased their knowledge in planning and delivering a lesson in their chosen area of development. Pupils enjoyed a variety of new activities with new equipment and resources, which supported their coordination and motor skill development. |
| Swimming provision                     | Specific year groups are selected to have daily swimming lessons for a two week block in the summer term. This year, it is Year 3 and any additional pupils who are unable to swim 25 metres. | Swimming lessons - £1,175.60<br>Bus - £175/wk<br><br>Total Cost - £1,525.60 | £1,525.60 | The school fulfils the National Curriculum requirement that pupils leave primary school able to swim 25 metres. Pupils are more likely to feel safe in the water - an important skill for living in Cornwall. They feel encouraged to lead a healthier lifestyle and strength and stamina are developed. |  |

Total Sports Premium funding spending so far (Sept 2015) - £8,330.60
