

The school has a budget of £8,818 for this academic year.

Area of Spending	Description	Cost of Provision	Sports Premium Contribution	Intended Outcomes	Actual Impact
Primary Sports Alliance	A package designed with Camborne Science and International Academy to improve school PE provision and to offer opportunities for sports festivals and competitive fixtures with local primary schools. PE lead teachers can also attend regular training hubs, for a wide variety of sports.	£2,800	£2,800	Pupils have opportunities to attend sporting fixtures with other local children to build their team work, resilience and competitive spirit. They have a greater enjoyment for sport and for being active.	All year groups have participated in a sports festival at least once per half term, giving pupils a chance to try new activities (including wall climbing, archery, badminton, tag rugby and multi skills) and discover some new talents. They have enjoyed being active in some non-traditional school sports and have developed their team work and cooperation skills.
Primary Kwik Cricket Subscription	An opportunity for all KS2 classes to take part in cricket tournaments in the spring and summer term. The PE lead teacher will run a kwik cricket after-school club for pupils to learn the game.	£20 subscription Minibuses - £100 per match = £400 Equipment - £50 Total Cost - £470	£470	Pupils experience cricket. They learn new skills in throwing and catching and the rules of the game. Pupils have the opportunity to become more active and to experience some competitive team sports.	Pupils in Year 5 have received weekly cricket coaching, developing their throwing, catching and team skills. All pupils have had the opportunity to attend the after school club. Years 3, 4 and 5 took part in cricket festivals.
Global Boarders Day	A surfing and beach safety day with professional surfers and lifeguards. Attended by a different year group each year. This year, it will be Year 5.	Tuition - £350 Coach - £450 Total Cost - £800	£800	Pupils receive a Surfing GB Award certificate for surfing skills and beach safety awareness. They have a greater awareness of local sporting opportunities and living a healthier lifestyle.	Two lifeguards from the local beach led a whole school assembly on beach safety and coping with different sea currents. Pupils can now explain the meaning of the flags and what to do if caught in a rip current.
Teacher professional development sessions	A series of 12 training afternoons with members of the Primary Sports Alliance and additional professionals, to support teachers with their PE curriculum. Selected teachers attend each session. Session themes: gymnastics, putting the fun back into PE, physical literacy, inclusive PE, tag	Supply cost for each session - £90 2hr sessions at £30 per session = £360 Total Cost - £1,440	£1,440	Teaching staff receive training and support to deliver a high quality PE curriculum. Pupils make greater progress with their physical and gross/fine motor skills.	Teaching staff have better knowledge to plan and deliver higher quality PE lessons. Pupils are enjoying their lessons and are developing their skills well. This has resulted in pupils

	rugby, dance, cricket and cross-curricular PE.				reaching finals in many sports and our teams winning many league fixtures.
Subscription to local sports leagues	The school has signed up to KS2 leagues with local cluster primary schools for netball, football and cross country. The school has also subscribed to all additional sporting opportunities for KS1 pupils, including multiskills festivals and wall climbing.	Minibuses - £100 per trip	To date, we have funded 6 minibus trips. £600	Pupils develop their skills in teamwork, winning, losing, working hard and problem solving. Their enjoyment and greater participation in sports leads to healthier lifestyles, including healthier eating.	Pupils have learnt to build their competitiveness as well as developing skills to cope with both winning and losing. Our teams have been very successful, coming second in the netball league, 5 th in the football, second in the rugby festival and one of our pupils reached the cross country finals.
Additional after school club	A coach from Go Active Cornwall has been purchased to run a KS2 street surfing club each week, for 6 weeks.	£336	£336	Pupils have the opportunity to try non-traditional sporting activities and to develop their coordination and balancing skills.	This was hugely popular, with most of KS2 pupils having a try. They built their self confidence in trying new sports and some realised their talents in a non-traditional sport. Many pupils started riding their skateboards or scooters to school, as opposed to coming by car.
Additional swimming provision	Specific pupils are selected to have daily swimming lessons for a week in July. For pupils who are at risk of not achieving a 25 metre swim by the end of Year 6.	Swimming lessons - £122.50 per session - £612.50 Bus - £100 per day - £500 Total Cost - £1,112.50	£1,112.50	The school fulfils the National Curriculum requirement that pupils leave primary school able to swim 25 metres. Pupils are more likely to feel safe in the water - an important skill for living in Cornwall. They feel encouraged to lead a healthier lifestyle and swimming strength and stamina are developed.	
Rugby Coaching	A member of the Cornish Pirates will lead 6 sessions of tag rugby for KS2 pupils, in preparation for entering rugby tournaments.	£300	£300	Pupils will have the opportunity to try a new sport and learn the rules for tag and touch rugby. Pupils will gain skills in team work, throwing, catching and will improve their general stamina.	Pupils entered rugby festivals, winning one of them and qualifying for the finals. Some pupils have been interested enough to try rugby outside of school and join their local team.

Total Spend to May 2017 = £7,858.50
