

In Art we will be working with Miss Willson:

- Sketching, developing mark-making skills, light/ dark shading, shape and size
- Work in the style of Matisse, and paper cut-out 'movement art'

In ICT we will: be working with Miss Willson:

- Using timers and apparatus to measure distance
- Data collection, analysis and presentation
- Research and graphics

In Music we will: be working with Miss Willson:

- learning to perform rhymes and songs

In PSHE (Personal, Social, Health Education) we will:

- Explore the theme ' New Beginnings ' .
- Consider the reason we have school rules.
- Explore our own and our friends ' skills.
- Explore emotions and strategies to cope with challenging situations.

In PE we will be working with Miss Willson:

- Refining multi—skills, that are used in invasion and team games.

Please keep a PE kit in school at all times.

Role Play

The role play area to support this topic is an animal rescue centre.

Why are humans animals too?

Year 3

Autumn (1st Half Term)

This half term we will be using the topic ' ' Why humans are animals too ' as a basis for our work in class.

This unit is part of the Cornwall 'Inspire Curriculum '.

In Literacy we will:

- Research non-fiction reference books
- Create animal fact files
- Read topic related fiction novels

Pupils will be encouraged to earn a pen license. In order to achieve this, handwriting must be consistently level 3 (neatly formed, legible and accurately orientated letters using the new style of font; clear ascenders and descenders with accurate use of upper and lower case letters; joined handwriting style with fluency and control)

In Numeracy we will:

- Mental addition and subtraction, multiplication and division
- Number and place value
- Written strategies for addition and subtraction, multiplication and division
- Using inverses to check our work
- Geometry: properties of shapes, angles, position and direction
- Problem solving, reasoning and algebra
- Measurement
- Fractions

In R.E. we will:

- Explore how we are called to be part of God 's creation. This will include looking at the calling of the disciples, our response to God 's call.
- Look at the sacrament of Baptism. This will include the response of our parents, and how Baptism calls us to see the world and protect His creation.
- Our multi-faith element looks at initiation rites in the Hindu faith.

In Science we will learn about:

- Nutrition and main food groups
- Skeleton, backbones and muscles
- Carnivore herbivore classification

In our language learning we will learn:

- Greetings and introductions, and identifying where French is spoken
- Simple picnic food vocabulary
- Learning some traditional French songs
- Listening to a simple French story
- Learning some phonemes used to spell in French
